

Southern Illinois University School of Law Setting up your Network ID

Since this is a self-service portal, we do not have access to your information. However, we have done our best to put together a process to assist you.

1. Access Salukinet, <https://salukinet.siu.edu>
2. Under **Future Students**, you will want to go to the **Admitted Applicant?** to request a Network ID.

<p>Students, Faculty, and Staff:</p> <p>Network ID: <input type="text"/> @siu.edu</p> <p>Password: <input type="password"/></p> <p style="text-align: center;"><input type="button" value="Login"/> <input type="button" value="Cancel"/></p> <p>Currently enrolled in courses or recently admitted for Fall 2009?</p> <p><small>Use your network ID here which is the first part of your SIUC email address (i.e., if your email address is johndoe@siu.edu your network ID is johndoe). Your password will be the same password that you use for your email address.</small></p> <p>Need the class schedule? Schedule of Classes</p> <p>To see how to register View an online tutorial</p> <hr/> <p>Network ID Help?</p> <p><small>If you do not know your network ID (email address) and/or associated password you can get assistance at the Computer Support Center at the NorthWest Annex 137, M-F 8am to 4:30pm or Computer Learning Center 1 in Faner 1025, M-F 11am to 4pm.</small></p>	<p>Future Students:</p> <p>DAWG Tag: <input type="text"/> Lookup</p> <p>PIN (4-digit) or DOB: <input type="text"/></p> <ul style="list-style-type: none"> • PIN Required for Fall 2008-Summer 2009 • DOB (mmddyy) Required for Fall 2009 & beyond <p>Application Term: <input type="text" value="Summer 2009"/> </p> <p style="text-align: center;"><input type="button" value="Login"/></p> <p>Already Applied but not yet Admitted? Login above to check admission status & award letter.</p> <p>Already Admitted? Request a Network ID and return to login in the box to the left labeled Faculty, Staff, and Students. You must logon with a Network ID in order to register, process your financial aid, etc.</p> <p>PIN Problems? Email Undergraduate Admissions.</p> <p>Graduate Student? See the Graduate School.</p>
---	---

3. Using your personal Dawg Tag number, request a **Network ID**. You will need to wait **30 minutes** before attempting to change your password; however, you must change your password within 48 hours or you will be locked out of your account.

Network ID Request

To request a Network ID enter the information in the fields below and click the "Yes, I Agree" button. For more information on Network IDs, please view the [IT Security](#) pages. If you have any problems you may contact the Computer Support Center at 618-453-5155.

Need Help?

Dawg Tag: [Click here to learn more about Dawg Tags.](#)

Last Name:

Date of Birth: - -
(mm-dd-yyyy)

Requested Network ID: <-- This will be the first part of your '@siu.edu' email address.

Set Initial Password: Minimum 5 characters, letters and numbers only.

Confirm Password: Your initial password must be changed within 48 hours.

I have read and agree to follow the policies governing the creation and use of computer accounts at Southern Illinois University.

- After 30 minutes, you will want to access the SIU Information Technology website, <http://www.infotech.siu.edu>.

The screenshot shows the homepage of the Southern Illinois University Carbondale Information Technology website. At the top, there is a navigation bar with links: Index A-Z, Apply Now, From the Chancellor, Visitors, Alumni, People Finder, For the Media, For Parents, Jobs. Below this is the university logo and the name "SOUTHERN ILLINOIS UNIVERSITY CARBONDALE". A secondary navigation bar includes SalukiNet, Intranet, Athletics, Public Events Calendar, Weather, Search SIUC, and a search box. A banner below the navigation bar reads "Introducing our new Service Center website... ..Find it here, all in one place" with a "See What's New!" button. The main content area is divided into three columns. The left column has three sections: "General Information" with links like Getting Started, FAQ, How Do I, Services, Help, Policies; "IT Departments" with links like About IT, IT Service Center, Network Engineering, Network Security, Telecommunications Services; and "Campus Agreements" with links like Microsoft Agreement, Get Microsoft Software, Dell Computers, Apple Computers, Software at SIUC. The middle column features a large "INFORMATION TECHNOLOGY" header with an image of server racks and monitors. Below this, it states: "The Computer Support Center is located in the Northwest Annex, Building A Room 137." and "Information Technology provides a wide range of technology services to SIU students, faculty and staff. They include campus telephone services; the network infrastructure; computer, telephone, e-mail and walk-in support; ethernet access in student residence halls; campus wireless access; e-mail services; site license software distribution and UNIX computational accounts." At the bottom of this column is a "Quick Links" section with a dropdown menu currently showing "Find your DAWG Tag" and a "Go" button. The right column is titled "Announcements" and features a prominent "ATTENTION: Your Network ID is changing in June 2009. Find out more about this change and how it affects you." message, accompanied by an image of a Network ID badge. Below the announcement are buttons for "Google Apps Info" and "NEW Online Chat".

- Under the drop down box titled, Quick Links, select “Change your network password” and click go.

This screenshot is identical to the one above, but with a red arrow pointing to the dropdown menu in the "Quick Links" section. The dropdown menu is now open, and the option "Change Your Network Password" is selected. The "Go" button is visible to the right of the dropdown.

- Under Advanced Functions, enter your Network ID and Dawg Tag, and select “Enroll in forgotten password process” and click submit.

Network ID Password Administration

To change your password, enter your Network ID and current password in the fields below and enter and confirm a new password that meets the **password guidelines**.

For advanced password administration functions, enter your Network ID and your Dawg Tag in the fields below, select the desired advanced function, and click on Submit.

Your password must be at least 8 characters in length, and must contain at least one Uppercase letter (A-Z), at least one lowercase letter (a-z), at least one numeric digit (0-9) and at least one special character from the set:

~!@#^&*()_+~{}[].,?

Any other characters are not allowed.

Changing your password for the first time?
You must first select enroll in the forgotten password process under Advanced Functions.
