YOUR JOB SEARCH

Your job search efforts should include more than the job posting and interview scheduling services provided by Career Services. Use the resources available in the Career Center, on the internet, and from your network (including faculty, alumni, former employers, friends, and relatives) to research positions. You should be sending application materials as early as summer and fall semester for jobs starting the following year.

Check the large Events/Conferences/Symposiums, Scholarships, Writing Competitions, and Fellowships Notebooks in the Career Library for details and deadlines. Our main bulletin board is located by the main staircase on the second floor, and a second board is located outside our office in room 104. Newsletters are archived on the SIU School of Law website at www.law.siu.edu/studentlife.asp
