

## FINDING ARTICLES IN THE LAW LIBRARY

Prepared by Diane Murley, SIU Law Library — Updated January 2006

<p><b>LegalTrac</b> and <b>WilsonWeb</b></p>	<p>The SIU Law Library has many print and electronic resources that you can use to find journal articles on your topic.</p> <p><b>LegalTrac</b> is a good place to start if you want law-related articles from 1980 to the present. LegalTrac is available to SIUC Campus Users via the "Subscription Electronic Resources" page at <a href="http://www.law.siu.edu/lawlib/resdata/index.htm">http://www.law.siu.edu/lawlib/resdata/index.htm</a>.</p> <p>If you need help using LegalTrac, see "Using LegalTrac to Find Legal Articles" at <a href="http://www.law.siu.edu/lawlib/guides/legaltrac.htm">http://www.law.siu.edu/lawlib/guides/legaltrac.htm</a>.</p> <p>The law library's subscription to <b>WilsonWeb</b> includes two databases, which combined include indexing of legal periodicals from 1908 to present and selected full-text articles from 1994 to present. However, because of license restrictions, WilsonWeb is only available from computers on the Law School network. See the "Subscription Electronic Resources" page at <a href="http://www.law.siu.edu/lawlib/resdata/index.htm">http://www.law.siu.edu/lawlib/resdata/index.htm</a>.</p> <p>If you need help using WilsonWeb, see "Using WilsonWeb to Find Legal Articles" at <a href="http://www.law.siu.edu/lawlib/guides/wilsonweb.htm">http://www.law.siu.edu/lawlib/guides/wilsonweb.htm</a></p>
<p><b><i>Current Law Index (CLI)</i></b> and <b><i>Index to Legal Periodicals (ILP)</i></b></p>	<p>The SIU Law Library subscribes to both <i>Current Law Index (CLI)</i> and <i>Index to Legal Periodicals (ILP)</i>. <b>CLI</b> is the print equivalent of LegalTrac, and <b>ILP</b> is the print equivalent of WilsonWeb. Both print indexes can be found in the Reference section on the first floor of the law library. See law library floor maps at <a href="http://www.law.siu.edu/lawlib/info/floormaps.htm">http://www.law.siu.edu/lawlib/info/floormaps.htm</a> or ask a member of the library staff for assistance.</p> <p>For information on other resources for finding articles, see "Legal Periodical Indexes Guide" at <a href="http://www.law.siu.edu/lawlib/guides/legalperiod.htm">http://www.law.siu.edu/lawlib/guides/legalperiod.htm</a>.</p>

<p><b>SIU Law Library catalog</b>  <a href="http://131.230.102.1/search">http://131.230.102.1/search</a></p>	<p>Once you identify an article that you want to read, you can check if the law library has the journal containing your article by searching for the title of the <b>Journal</b> (NOT the article) on the SIU Law Library catalog.</p> <p>If the law library has the journal you need, note both the call number and the location and retrieve the item from the shelf. In general, journals are arranged alphabetically by title on the second floor of the law library. Newer issues of the journal are kept on reserve. If you need help finding something in the law library, ask a member of the library staff or consult a law library floor map at <a href="http://www.law.siu.edu/lawlib/info/floormaps.htm">http://www.law.siu.edu/lawlib/info/floormaps.htm</a>.</p>
<p><b>HeinOnline</b></p>	<p>Once you have identified the citation of an article you wish to look at, you may be able to find an exact page image of the article on <b>HeinOnline</b>, which has more than 370 journal titles available from their first publication date.</p> <p>HeinOnline is available to SIUC Campus Users via the "Subscription Electronic Resources" page at <a href="http://www.law.siu.edu/lawlib/resdata/index.htm">http://www.law.siu.edu/lawlib/resdata/index.htm</a>.</p>
<p><b>SIUCat</b>  <a href="http://library.ilcso.illinois.edu/sic/">http://library.ilcso.illinois.edu/sic/</a></p>	<p>If the journal you want is not available in the Law Library, you can determine whether SIUC's Morris Library has the journal by searching <b>SIUCat</b>, the Morris Library online catalog. Make a note of both location and call number, then retrieve the item from Morris Library.</p>
<p><b>Interlibrary Loan</b></p>	<p>Law students, faculty, and staff may request an interlibrary loan if they cannot find what they need in either the Law Library or Morris Library. <i>See</i> Interlibrary Loan Policies at <a href="http://www.law.siu.edu/lawlib/info/policies.htm">http://www.law.siu.edu/lawlib/info/policies.htm</a> for more information.</p> <p>We are unable to request materials through interlibrary loan for non-law students, faculty, and staff, or for members of the public.</p>
