The School of Law Commencement Ceremony will begin at 4:00 PM and is scheduled to last from 60-90 minutes. This year's Commencement Speaker is Merri Jo Gillette, Director of the Chicago Regional Office (CHRO), oversees the SEC's second largest regional office.

The Commencement proceedings for the College of Mass Communication and Media Arts, which begin at 1:30PM, may not end until 3:30-3:45 PM. Visitors, family, and friends are advised, therefore, that they may have to wait to enter the Auditorium when they arrive. The Commencement proceedings for the College of Business Administration are also at 4PM, but are at the SIU Arena, not Shryock Auditorium.

Seating inside the Auditorium is not assigned. For more information about Shryock Auditorium, including seating, access for persons with disabilities, and directions, visit the website at: <http://www.siu.edu/~shryock/index.html>

Candidates should pick up their name/seating card in Altgeld Hall, Room 114 (the building immediately north of Shryock) and assemble there at least one-half hour before their ceremony start time. Family and friends attending the Ceremony cannot enter this area and are advised to wait inside or outside the Auditorium.

Candidates will line up and then proceed from Altgeld Hall to Shryock to begin the ceremony. It is imperative that the candidate be on-time in order to be in the proper place in the processional line. Candidates MUST have their name/seating card before proceeding across stage.

For more information about Commencement, visit the SIU Commencement website at: <http://registrar.siu.edu/records/Graduation.htm> or contact Dr. Jessica Davis at [jjdavis@siu.edu](mailto:jjdavis@siu.edu).
